

GENERAL CAMP RULES & SAFETY INFORMATION

Please bring these rules to the notice of your group. These rules are designed to protect you and the Wilderness and to maintain the facilities for your pleasure.

Air rifles, motorcycles and pets are not allowed on the reserve.

Do not remove or damage any plants, wood or equipment in our reserve.

No littering please

The supply of liquor to our staff is strictly forbidden.

Smoking and Fires: Smoking is only permitted in the Outside Lapa and camp surroundings.

NO smoking is allowed in the chalets.

Please use ashtrays to dispose of cigarette butts. Fires may only be made in the designated areas.

Self-drive game drives allowed. Speed limit on the reserves 30 km/hour.

Report any defects in the camp as soon as possible in order that they may be rectified for your convenience.

Swimming pool is used at own risk. At all times children must be supervised by an adult.

We will take every precaution to ensure the safety of our clients. The management and landowner cannot accept responsibility for any damages, accidents, and loss of life/property during your stay.

NB INFORMATION

While we take every precaution to be safe around the campsite/chalet, we must remember that we are in nature, and smaller dangerous crawling insect and animals can be found around the camp, and outside in the veld.

In Camp, please keep a look-out for

- Snakes
- Scorpions
- Spiders
- Ticks

Notify the owner immediately if a one of the above, or other is spotted in the camp and do not pick it up or touch it – for your own safety.

When you go for a game drive or walk in the veld, keep a look-out for

- Snakes
- Scorpions

- Spiders
- Ticks
- Hyena
- Wild dogs
- Crocodile
- Buffalo
